

## 150 SERIES

## THE BASICS, MADE BETTER

Durable, good-looking speakers bring dependable, quality sound to any distributed audio system. Our 150 series is perfect for the budget-conscious or for a low-key introduction to the Episode® architectural line.

### AVAILABLE MODELS

The series is available as an in-ceiling model with a 6.5" woofer.

# **FEATURES**

#### > BUILT TO LAST

Vacuum-formed woofer made of high-grade quality polypropylene ensures longevity of the motor structure.

### > SOUND THAT WON'T QUIT

 $\ensuremath{\mathcal{V}}_{\!2}{}''$  lightweight mylar tweeter provides high efficiency and reliable performance.

## > RESONANCE-FREE

Oversize installation dog toggles hold the speaker firmly and eliminates vibration.

## > SLEEK, SOPHISTICATED DESIGN

Elegant thin-bezel grille creates a modern look.
